Assessing and developing  
**youth skills in**  
**agroentrepreneurship**

## ABOUT THE PROJECT

AgriCharisma project highlights the **TEAM skills** that are essential for the success of a new business, especially agro-startups. Creating a team with complementary skills, competencies and roles before starting a business is crucial. Therefore, **AgriCharisma emphasises the development of tools, such as online platform with e-course and a serious game** to connect young people interested in agro-entrepreneurship in order to enable them to assess and develop their skills, enhance their competences and to create effective teams for agro-startups/

## OUR GOALS

The project aims to **empower young people aged 18-30**, especially those living in **rural areas** by targeting youth trainers and educators, guidance counsellors, youth centres, university departments in relevant fields by **providing** them with **innovative educational tools and methods for promoting career development of youth in agro-entrepreneurship**.

**A platform for young agro-entrepreneurs**

**Two E-course modules**

**A guide for educators**

**A digital serious game**
